Secretary, Board of Revenue,Madras.

Read:- From the Collector of South Kanara Ref.B6.26707/52 dated 26-11-52

S.No.115/5 and 335/1 of Sullia Village which measures 111.76 acres and 1.04 acres respectively form a compact block of Over 100 acres in extent. The portions denoted as S.No.115/5B and 335/1C have been encroached upon by a muslim women by name Aisamma and S.No.335/1B of one Abdul Rahiman Beary. The encroachments were effected prior to 1-5-48. S.No.335/1B contains a thatched house. plots denoted as S.Nos.335/1C and 115/5B are enclosed on all side by means of a fence and contain a thatched house and few trees got by the encroachers. Both the encroachers are landless and houseless poor persons. The encroached portions are within the compact block and not on its border.

2. According to the instructions issued in Government Memorandum No.54162 F/49 dated 13-10-49 encroachments which are entirely within the compact block and not on its border and of the compact block is required for assignment to cooperative society have to be considered objectionable. The compact block in this case is reported to be not required for cooperative colonization schemes.

The Tahsildar Puttur and the Revenue Divisional Officer Putyur are of opinion that eviction in this case will cause hardship to the encroachers who are both landless and houseless poor. As the encroachers have effected improvements of permanent nature leasing out of the encroached portions is also not desirable. The only objection to its assignment is that the encroachment is within the block. I am of opinion that this is a fit case where the relaxation of the restriction imposed in

p.t.o

in para 6 of G.O.No.1523,Revenue dated 11-6-49 is called for. I therefore request that the Board may be pleased to move the Government for permitting the assignment of the encroached portion in S.No.115/5B,335/1C and S.No.335/1B to the respective encroachers.

The records of enquiry (pages 1 to 24) are enclosed for reference and return.

(C No. 1945 H/53) Assignment - land - (South Kanara) - Talnk - Sullia village - S. No 115/5B etc.

Cf From the Board of Rev. Ref. B. 10839/52-1 d. 31.12.52.

Please see the Board's reference in the Cf. 2. The Collector's letter explain the details of the case. In G.O No 3183 Revd. 28.11.52, the Govt relaxed the restrictions in the matter of assignment of land in municipal and non-municipal areas and in Compact blocks in favour of landless poor persons including Harijans, for the purpose of assignments to them for house site purpose only. The Board has in view the said attention 2300 H/52 sent to R W on 12.1.53 by its Ref. B. 10945/52-1 d. 19.12.52 wanted certain clarification in which it has requested of the orders in the above G.O. and the connected file has been sent to R. W. on 12.1.53 for remarks. This file may therefore lie over till a decision is arrived at in the file referred to above.

2. Orders have been issued in G.O. Press no. 1022 Revd. 7.4.53 that in respect of proposals for assignment of land in compact blocks to landless poor persons including Harijans for house sites, the Heads of Depts need not be consulted to ascertain their needs and the proposals need not also be submitted to the Govt for their approval, provided the house site or block of house sites proposed to be assigned is situated in such a manner, that even after assignment there will still remain a compact block. In the present case, the two encroachers are reported to be landless poor persons and that eviction in this case will cause hardship to them. There is no need for the sanction of the Govt in this case, if, after the assignment of the two plots to the encroachers, there will still remain a compact block. The Board's attention may perhaps be invited to para 2 of G.O. Press 1022 Revd. 7.4.53 and it may be asked to dispose of the case according to the instructions contained therein and come up to Govt, if necessary.
